

ISSUE 2 - January 2021

To all my lovely clients! I hope you all had a good Christmas and want to wish you all a Happy New Year!

This is not the start to 2021 that any of us wanted. Following the Government announcement of another lockdown I am not able to work again due to being in Tier 4 now.

I will be in contact to rebook you all once I know a confirmed date that I can reopen from. Thank you in advance for your patience and understanding, and all your support through 2020.

NEW BANK DETAILS

My bank details will be changing soon to a business account. I will contact you all separately regarding the new name, account number and sort code.

UPDATED CORONAVIRUS POLICY

I have updated my Coronavirus policy so it's much shorter and condensed. Please have a read through the copy sent via email, so you're familiar with any changes. Thank you.

SKINCARE ADVICE

Keep exfoliating and moisturising through lockdown to keep your skin in good condition. Ruff Stuff Body Scrub and Oil are perfect to use and can be purchased from me. And remember not to wax yourself! Please contact me if you need any advice.

HONE is 9 years old on Tuesday 5th January!

NEW PLANS!

HONE will be changing name soon and the website will be updated to reflect this, and to combine both the male and female sides of my business in one place. Keep an eye on your inbox for more details!

Stay well and keep safe, and I hope to see you all in the not too distant future.
